DETAILED ACTION

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: claims 9-11 have previously been withdrawn without traverse by applicant, however, for the purposes of allowance, claims 9-11 are hereby cancelled.

Examiner's Statement for Reasons of Allowance

This Office Action is responsive to the amendment filed on 2/7/07. Claims 1-8 are pending. Claims 9-11 have been cancelled supra. Applicant's arguments have been fully considered and are persuasive. Applicant's amendments to the claims overcome the prior 35 USC 112 rejection over claim 5. Also, applicant has overcome the Lee reference (US Patent No. 7,059,002) due to submission of an English translation to foreign priority document of Korean Patent Application No. 10-2002-0073605. Accordingly, the 35 USC 103 rejection over claim 8 has been overcome as well because it depends on said Lee reference. Therefore claims 1-8 are allowed for the reasons indicated.
